## Notes

### Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse your application for the proposed development, or non-material amendment to a proposed development, or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- Please note, only the applicant possesses the right of appeal.
- Further information on how to appeal and the deadlines for different types of applications can be found at [www.gov.uk/government/organisations/planning-inspectorate](http://www.gov.uk/government/organisations/planning-inspectorate)
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
- The Secretary of State can allow a longer period for giving notice of appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to statutory requirements, to the provisions of the development order and to any directions given under the order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local planning Authority based their decision on a direction given by him.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of the service of the enforcement notice, or within six months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

### Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
